Performance of your investment in the fund is not guaranteed, past performance is not a reliable indicator of future performance. Percentage returns quotes have been calculated using the Time Weighted Return (TWR) method for the Model Portfolio. Performance is calculated using the closing prices of the Model Portfolio and will include any distributions, income entitlements but excludes franking credits, taxes and fees. Investor performance may differ from the Model Portfolio performance. This document provides general information only and has not been prepared having regard to your objectives, financial situation or needs. Before making an investment decision, you need to consider whether this information is appropriate to your objectives, financial situation, and needs.
